

REVISION

EDITING

The writing doesn't "flow" **OK**
You may need to re-write, add

FOCUS on the main point, but you're just spot-checking

Organization:

In your paragraph, what comes first? What comes last? Do you have paragraphs that need to be moved?

subject and verb)?

Do you have complete sentences (with a subject and verb)?

with a few words?

student? A professor? Your parents?)

iate

depending on who you want to communicate with?

movie to a child, so think about what gets with the norm

Double-check your capitalization
Review the individual sentences

MOTIVATION
punctuation (especially if you use revision marks)

Do you need to remind some readers to check the facts?

on SPELL CHECK or GRAMMARLY to catch everything!

*Don't

below you can find a list of resources

need less. Look critically at

your title information correct?
