Undergraduate students may elect to take a course on a credit/no-credit basis by submitting this form to the Office of the Registrar by the published deadline. This is usually no later than the 10th day of each term—see the official academic calendar for specific dates. The following conditions apply:

- 1. If a tenumber of semester hours are granted. If a grade below is earned, the course is abandoned, or the course is withdrawn from after the penalty deadline,
- 2. Courses taken under this option may not be used to fulfill general education, major, minor, or concentration requirements. Courses with general education designations for which the CR/NC option is elected will not earn general education designations.
- Once the CR/NC declaration is made for a given course in a given semester, students may not later request that
 the CR/NC be changed to a letter grade. In a subsequent semester, students may repeat a course graded CR/NC
 for a letter grade, but will not earn credit hours for the course a second time (see Repeated Course catalog policy).
